The registration fee is **€ 27** for members (the bus expense of €7 being paid for members from the association's funds) and **€ 34** for guests. The all-inclusive price applies to all participants, even those who wish to arrive later or leave early. In cases of extreme circumstances please contact Mr Oellermann. We will find a solution.

The rooms at the Hotel Mercure will be reserved all together by Gerd Oellermann on 2nd May. Payment for the room is your responsibility and your invoice should be settled at the hotel.

Another important request: if you have registered for the events and meals, please do come! It is frustrating when the association funds are used on meals or tours which have been booked, but then not attended or meals which go to waste as happened repeatedly last year in Holland (it is for this reason that the registration price covers as much as possible).

Invitation to the Annual General Meeting of Hemerocallis Europa I hereby invite you to the annual general meeting of the association on 15th July at 16.30 at Gerald Hohl's place at Kirchboitzen. Arrival in good time is requested as attendance is of great importance because we will need to vote for a new president. I announced **my resignation** last year and it **will be effective from 15th July 2011**. Perhaps you have already found a new candidate and want to surprise me at the meeting. If not, it is high time to think about a new president. Otherwise we will have to think about the legal formalities leading to the liquidation of the registered society.
